Frequently Asked Questions

How old do I have to be to take classes?

There are no age restrictions. All sessions are available for Tots thru Adults. Groups are formed on the ice by age & skating level.

What is the makeup & refund policy?

NO refunds once the session begins. ONLY ONE MISSED CLASS per session can be made up on a different day during that session, if space is available. Call or email the Skating Director for makeup permission.

There will be no make ups allowed on the first Wednesday, Thursday, Saturday or Sunday of each session.

610-497-2200 x125 or at learntoskate@iceworks.net.

How many sessions should I enroll for?

The Frequent Skater discount is the ideal package to efficiently learn skills & improve quickly with additional public session time. Mastering skills takes more than 1 session! See opposite flap for discount details.

What equipment is needed?

Helmets are required for all skaters ages 5 & under.

Skate rental is included but wearing your own skates is BEST! Good skates are essential to improve.

Visit the Pro Shop to be fitted for skates.

What else can I do after Learn to Skate?

Jr. Competitive Program: Bridge program from Learn-to-Skate to competitive figure skating.

Private Lessons: Available at any time to improve skills or move into figure skating.

Learn-to-Play Hockey: Bridge Program to learn the game of hockey so skater can move to a in house hockey team.

Basic Hockey

This program is offered within our Learn to Skate Program to develop the fundamental skills needed for Basic Hockey. This will include starts, stops, forward and backward skating, turns and transitions. (No pucks) This is a requirement for advancing to Learn to Play Hockey. An evaluation by our Hockey Director and his staff will determine the ability of skaters to move into the Learn to Play Program. As a General rule, skaters are eligible to move to the Learn to Play Program once they have mastered the fundamental skills of Basic Hockey 1 and 2. **It is highly recommended that players who do move on, continue to develop their skills in Basic Hockey 3 and 4.**

Intro to Synchronized Skating

Saturdays and Sundays 1 Only

The fundamentals of synchronized skating 1, 2, 3, and 4 will now be offered as part of our Learn to Skate Program. Synchronized Skating is the fastest growing aspect of skating today! This program is designed for skaters that enjoy a team environment. Skaters will have fun while learning the value of teamwork, discipline and gaining confidence. Skaters will be introduced to the five basic elements: circle, line, block, intersection and wheel.

Skaters that complete the fundamentals of Synchronized Skating 1 and 2 will be eligible to become a part of the ICEWORKERS, IceWorks Synchronized Skating Team.

Late Registration Fee:

For staffing purposes, all registrations must be made at least 2 days prior to the start of any session. If registrations are not received within the two day period prior to the start of the session, a late registration fee of \$10.00 will be applied.

Equipment:

IceWorks Pro Shop carries all necessary skates, clothing & protective gear and expertly sharpens skates. A **10% discount** will be honored for skate purchases with a Learn to Skate coupon.

Skates: Figure skates are recommended for the beginner skater since they lace up completely around the ankle and provide more support.

Dress in layers so you or your child can remove them as necessary. All skaters must wear gloves.
