

DELCO DRAGONS LIMITED TRAVEL YOUTH HOCKEY LEAGUE

The Delco Dragons Limited Travel Youth Hockey Program provides the opportunity for beginners and intermediate players to participate in league play against comparable players in a recreational and developmental environment.

If you are a beginner and have some skating skills, it is advisable to first take part in our Learn to Play Hockey Program.* The excellent instruction you will receive will enable you to then begin play in our league. If you cannot skate, register for our Learn to Skate Program which will prepare you to participate in the Learn to Play Hockey Program.

*Full hockey equipment required. See below for complete requirements.
